

# Recycle\*

your inkjet cartridges and help  
raise money for your local school!

#### Environmental recycling benefits:

- Inkjet cartridge recycling helps to reduce carbon emissions, a major cause of global warming, conserves resources and reduces waste
- Inkjet cartridges will take about 1000 years to decompose in landfill sites

£1 per  
recyclable  
cartridge  
for your  
school

more  
equipment  
equals  
more fun!
